Craftsmanship down to the most minute detail: the BOAT&CO hotel in Houthaven

The location on the water is excellent for a grand entrance. The name of the hotel itself sparks curiosity: BOAT&CO. But first let's take a look at the surroundings and take a detour into the last century. Houthaven, the name of the secluded harbour area on the western outskirts of Amsterdam, has become a new residential quarter and destination for tourists and residents since last year.
